Updated 12/01/2026 JG

An overnight stay is appropriate if any of the following conditions are met:

- If the meeting time is earlier than 7am
- If the overall travel time exceeds 10 hours of driving. Unless two drivers can be used
- If it is logistically or financially appropriate on the weekend of a 'double header'. Eg a team playing at 6pm in Bristol on Saturday and then 3pm on Sunday against CoLA
- For National Finals (In Manchester)
- For Final Fours (Friday & Saturday night) Saturday tip time to be considered
- If a senior team (no u18's) wish to stay over after a game for social reasons they will be expected to cover the cost of the hotel and additional day of bus hire
- A guide fee for player contributions should be in the region of £30 per night per player (This is variable based on hotel prices). Food should be paid for individually by players and not by the club unless there has been a donation/sponsorship for a finals event
- Risk Assessment conducted by team coaching staff and signed off by Safeguarding, Head Coach and Chairman
